******* NOTICE *******

THIS IS THE LAST MONTHLY MEETING AT THE GOVERNMENT CENTER. MONTHLY MEETINGS WILL RESUME IN JANUARY

OUR DEEPEST SYMPATHY:

Carolyn Sisco a long-time member our club passed away August 30th. She will be greatly missed.... Please keep her husband **Don** and their family in your thoughts and prayers.

“A” WORD FROM OUR PRESIDENT:

This will be our last business meeting of the year, our election banquet is just around the corner and we will need to select a new president for the 2019-2020 term. Please give some thought to who would be a good candidate for this office or if maybe you would like to take on the roll yourself. Either way if you have a suggestion and would like to give it a try, please contact one of our board members with your ideas.

There will be something given to everyone that attends the October meeting that may be used for the rest of your life.... Come see what it is!

Marty Burke is now in charge of our Swap Meet Sponsorship Program and advertising. This is a big money maker for our club! We are in need of some new sponsors to fill the 2019 program, if you know of any one that may be willing to sponsor an ad please let **Marty** know as soon as possible.

Thanks, **Charlie Armstrong**

TOUR TO MARCY'S RESTAURANT:

On October 27th, we plan to tour to Leopold, Indiana to eat at Marcy's Restaurant. The tour will start at the Marathon gas station located at 1007 Old Forest Road, Corydon Indiana. Coming north on Hwy. 135 turn left onto Hwy. 62 then immediately turn left into the Marathon gas station. Be gassed up and be prepared to leave at 12 Noon. You should be back in plenty of time to go to the meeting Saturday night.

If possible, Jim needs to know how many are going this tour so he can give Macey's Restaurant an idea of how many tables we will need.

Please contact Jim Norris at 812-267-7319 or e-mail Jim & Wendy at wdkforestk@yahoo.com to let them know you plan to attend.

REPORT ON HINTON'S ORCHARD:

Submitted by Fran Hollis

September 29th was a great day for a trip to Hinton's Orchard. **J.E., Linda and Wes Shofner, Jim & Fran Hollis, Charlie & Susan Armstrong, Roy Armstrong & brother, and Moise Napier** started the trip to Hinton's Orchard with breakfast at DQ in Shepherdsville. From there we met **Louis & Angela Nett** at the parking lot by park.

It was a great "A" day and **Roy** led the way to the Hinton's Orchard, there were (4) Model A's and (2) modern cars driven. When we arrived, we met up with **Carl & Carolyn Ford** and **Jim & Denise Mitza**. The **Ford's** also drove their Model A.

Everyone enjoyed the apples, produce and other goodies. It was one of the nicest weather days we have had in all the years we have been going to Hinton's!

After leaving the orchard, we continued on to the Hodgenville Grill for lunch, as usual everything was delicious!

It was definitely a fun day with great fellowship! FYI.... to my knowledge no one had car trouble!

REPORT ON CAR DISPLAY AT KROGER:

There were (9) Model A Fords on display at the Jeffersonville Kroger's. As usual we had plenty of lookers and people with questions about the cars. We had great weather and Kroger's supplied our group with lunch from their deli and salad bar.

Those who displayed their cars were **Charlie & Susan Armstrong, Louie & Angelia Nett, Moise Napier, Roy Armstrong, Jim Norris, Jim & Fran Hollis, Frank Head, Woody & Nancy Woodson** and **Emeric & Lesa Howell**. **Troy Minton** and **Cristene Bozanic** also joined us for lunch, it was great to see **Troy** out and doing good after his recent surgery.

REPORT ON GLENDALE FESTIVAL:

We left from Shepherdsville with **Roy Armstrong** leading a group of (5) Model A's to Glendale. Model A's were driven by **J.E. & Linda Shofner, Charlie & Susan Armstrong, Moise Napier, Roy Armstrong** and **Emeric & Lesa Howell**.

As we passed through town a couple of the ladies' jumped out to get a head start on shopping the craft show, the rest of us went on to line up for the parade. The day was off to a damp and chilly start with a constant mist in the air. Just about time for the parade to start, the mist stopped, and the sun started to poke its head out and the conditions improved greatly.

It was a good parade and as usual the streets and pathways were packed to the hilt with shoppers! Most of the booths are in the grass and those areas were getting a little muddy, but you could work your way area them if you tried hard enough.

Afterwards we all made the stop at the Iron Skillet Restaurant for the buffet before heading back home. It was a little cool but still a nice day out!
