Are there any Model A's in our club still sporting one of these window stickers?

Most people say “What is it supposed to be?”

It's a moto-meter of course!

“A” MESSAGE FROM OUR PRESIDENT:

Submitted by Nancy Wright – President

A group of members met at **Lesia** and **Emeric's** home on Saturday, February 9th to plan special events for the coming year. Breakfasts each month, tours and other activities were discussed and dates proposed by those attending. We came up with several events every month but also have space open for any ideas that may come up from club members who were not present. If you have an idea of somewhere to eat or visit that you think the club would enjoy, please let us know so we can add it to our list. See you on Saturday for the Valentines dinner at Cattleman's and later for our monthly meeting at the government center.

DEAR CLUB MEMBERS:

I have to say you guys got me good, and as you know that is hard to do. In the January meeting when **Fran** gave me the plaque and card I was speechless, even emotional to the point I couldn't even read the card out loud. I thank all of my Model A family very much for the plaque, card and gift cards. I appreciate everything that you guys have done for me.

Sincerely,
Charlie Armstrong

60th ANNIVERSARY CLUB LOGO ITEMS:

At the last meeting we voted to purchase items with the club logo on them to commemorate our 60th year.

One item is a license plate for your car or to display however you like. Members are eligible for (1) plate each for \$5.00, each additional plate is \$15.00 while supplies last. We are starting with 40 plates and may order more if need be.

The other items are apparel with the club logo embroidered on the front only. For each member the club will pay \$20.00 towards the apparel item you order. We will have a list of items to chose from at the meeting Saturday. If you want to order an apparel item that is not on our list you can purchase it yourself and give **Marty Burke** a copy of the receipt so he can reimburse you the \$20.00 club portion.

There are two different logos we can choose from, Design# 18842362 Falls City Model A and Design# 18927562 Falls City Model A with 60th logo. We plan to order these from www.queensboro.com

Marty Burke presented **Clayton Henley** with an appreciation plaque for sponsoring our swap meet. See **Henley Guttering's** ad in this newsletter. **THANKS AGAIN CLAYTON!**

Club license plates will be similar to the image above

OFFICIAL CONVERSION CHART

HOW TO INTERPRET

ANTIQUE CAR ADS

IF IT SAYS:	IT REALLY MEANS:
Rare model.....	Nobody liked them when new either
Older restoration.....	Can't tell it's been restored
Needs engine work.....	It's been frozen for 30 years
Uses no oil.....	Just throws it out
No rust.....	Body and fenders missing
Rough.....	It's too bad to lie about
One owner.....	Never been able to sell
No time to complete.....	Can't find parts anywhere
Needs interior.....	Seats are gone
Rebuilt engine.....	Has new spark plugs
May run.....	But it never has
Low mileage.....	Third time around
Many new parts.....	Keeps breaking down
29 coats hand-rubbed paint....	Needed that much to cover rust
Clean.....	It sat out in the rain yesterday
Best offer.....	About what I expect to get
Always driven slowly.....	Won't go any faster
Prize winner.....	Hard luck trophy 3 times in a row
Stored 25 years.....	Under a tree
Real show stopper.....	Orange with purple fenders
Easy restoration.....	Parts will come off in your hand
Ready to show.....	Just washed it
Top good.....	Only leaks when it rains
Good investment.....	Can't depreciate any more

Mark Miles, age 13, youngest member of the Falls City Model "A" Club.
