## REPORT ON BRANDENBURG TOUR:

We had great weather and a good turn out! A big THANKS to **Sherley and Deloris Brown** for allowing us to see their large collection!

Sherley can fabricate just about anything in his workshop and had a couple air operate small engines running when we visited. Afterwards we went to Little Dave's roadhouse in Brandenburg for lunch.

## MARC NATIONAL MEET 2023:

It's not often that a National Meet is an easy drive from us, let's make plans to attend! The 2023 MARC National Meet is in Hamilton Ohio, roughly a 150-mile trip! We could leave early morning and be there by midafternoon.

➤ I will post more details when available.

## SHOW & TELL:

**Jerry Mills** explained how to wrap an inner tube around a chain on a pickup tail gate. Jerry and his son took their 46 Chevrolet truck to the 60<sup>th</sup> Vintage Chevrolet Club of America in Bowling Green and won a Senior award! *Congrats on their win!*

**Emeric Howell** showed how the original robe cord for a 4-door sedan is constructed with a steel cable covered in rope like material.
