MANTON MUSIC JAMBOREE, Sunday, July 28th

PICNIC AT HIGHVIEW PARK:

Message from Nancy Wright:

This coming Saturday July 27th, we will be having a picnic at Highview Park starting at 6:30 p.m. The park is right behind the Government Center where we have our regular meeting. There is a parking area off of Briscoe Lane (At the light near the government center take Vaughnmill Road to Briscoe lane and turn left) or park at the government center and walk to the park. Bring your own food, drinks and a lawn chair and hopefully we can find a place in the shade to visit and enjoy each other's company before our meeting at 7:30. Don't forget to wear your badges for the meeting.

PLANNING FOR DRIVE YOUR MODEL A WEEKEND SEPTEMBER 13th – 15th:

At the meeting this month we need to finalize details for “Drive Your Model A Weekend” so I can get the details and hotel info to the surrounding Model A clubs so they can make reservations.

Committee Members are **Angela Nett, Fred Shelton, Jim & Fran Hollis, Moise Napier, Emeric & Lesa Howell** and **Nancy Wright**.

Suggestions are welcome, bring them to the meeting or contact one of the committee members as soon as possible.... TIME IS SHORT!

MANTON MUSIC JAMBOREE:

Sunday, July 28th we will meet in Mt. Washington in the Kroger’s parking lot out near the Kroger Fuel Station located at 234 East Brooke Court. We plan to leave Kroger’s at 9:45am sharp! **Emeric & Lesa Howell** will lead us to the McDonald’s in Springfield where we plan to join the **Central Kentucky Model A Club**. From there we will travel as a group to Manton.

The Manton Music Jam is Sunday from Noon to Dusk at the Holy Rosary church grounds in Manton, KY (6964 Cissellville Rd, Manton, KY 40069). This is a huge bluegrass and southern rock festival that attracts thousands of people every year! Admission and parking are free! Just bring a lawn chair and a few bucks for the food trucks, ice cream, raffle, and auction items that will be available throughout the day. You may bring your own picnic lunch and drinks if you wish. We plan to return well before dark.

MOTHER’S/FATHER’S DAY DINNER REPORT:

We had a good turnout at our annual Mothers & Father Day dinner in June with (32) members coming for the feed at the feed store! The food was delicious and there was plenty of it!

Remote-Controlled Jet Airplane

INDIANA SCENIC RIVER TOUR REPORT:

Submitted by Roy R. Armstrong

Tour leaders were Pete Kubala & Jim Norris

I left Shepherdsville at 9:45 AM to go pick up **Pete Kubala** at 10:30 in Muldraugh. **Pete** rode with me to Mauckport, IN. where we met up with **Jim Norris**.

From there **Pete** and **Jim** led us from Mauckport, IN. taking some real scenic back roads to Daisy’s Country Cooking Restaurant in New Albany, IN. The food was good and the price was reasonable. We took Highway 111 (River Road) back to Mauckport, IN. On the way back we stopped at **Bob Ryan’s** (The Smiling Irishman) Antique car lot. The owner wasn’t there, but we were told that he had a lot of nice restored cars in the building which we didn’t get to see. But on the outside there were many unrestored cars and trucks of every kind setting everywhere. They brought back old memories from days gone by that we shared with each other.

On down the road we stopped at a place where the Remote-Controlled Airplane Club members were having their National Meet. There were many planes of all kinds and sizes. We were there for about an hour to an hour and a half because we wanted to see this big jet fly before we left. A 14-year-old boy did a good job flying his jet. He took it way down the runway and when he turned it loose, it was gone. It could be out of sight by the time you blink your eye twice. I heard one guy say that it sounds like a real jet. The other man said it is a real jet, it’s just smaller that’s all. It was exciting to see it fly. There were 3 jets there, but we only got to see one of them fly. These jets cost \$10,000.00 to \$12,000.00 each.

From there we got back to Mauckport, Jim went home and we headed back to Muldraugh to take Pete back to his truck and take a break in Dairy Queen. I got home about 6:15. I drove about 159 miles and had a very enjoyable day.

TOUR TO HERSHEL HOUSE'S PLACE:

Submitted by Emeric Howell

Fifteen members and Five Model A Fords made the HOT trip from Louisville, Kentucky to Woodberry, Kentucky to visit Hershel House. We stopped in Morgantown on the way in to have lunch at the Farm Boy restaurant.

After lunch we made our way over to Woodberry to Hershel's place. He has several Model A's sitting around the yard and a few that he uses daily.

Hershel talked about a black powder gun that he is currently building that will sell in the \$20,000 range when complete. Very interesting to hear the details about the guns he has built. Hershel is known for making vintage black powder guns and knives using old hand techniques.

On the way back we stopped for supper in Litchfield at the Farmer's Feed Mill Restaurant. I traveled about 235 miles round trip. What a great trip and always fun to visit with Hershel!

Emeric & Moise hamming it up!
