#### **“DRIVE YOUR MODEL A WEEKEND” IN THE REAR VIEW MIRROR**

The “Drive Your Model A weekend” is now behind us. I believe every enjoyed the weekend. The Best Western Hotel in Shepherdsville served as the host hotel and home base. Thanks to Doug Simmons of Best Western for allowing us to use the breakfast room. It worked out great for the Friday night gathering.

Eleven Model A's went on the Friday afternoon tour to "The Parklands of Floyds Fork" led by **Emeric Howell**. WOW was it hot! Roughly a 50-mile round trip and only one car had trouble with what he believed was vapor locking that caused us some delays but all in all a good tour. That evening **Nancy Wright** welcomed everyone and there were multiple deserts to choose from.

Next we played Model A Trivia! I think everyone in the room participated. We divided up into teams. The team names were the Hoods, the Lug Nuts, the Tail Pipes, the Ahoogas and the Rear Ends. There were four rounds of questions increasing in difficulty. After four rounds were complete the Hoods and the Rear Ends were tied 2 and 2! The tie was broken with several true and false questions being asked until finally the Hoods won!

Saturday, we gathered in the high school parking lot. **Fred Shelton** was our tour leader for the day, leading the group of twenty Model A's first to Bernheim Forest

where we saw the three wooden giants built by Danish artist **Thomas Dambo**. From there we were off to Bardstown for lunch on our own.

After lunch we went to Hinton's Orchard in Hodgenville for ice cream and a short break. We originally planned to go to the Patton Museum, but as we got farther a long we realized with the museum closing at 4:30 we would not have enough time, so instead we made a quick stop at Saunders Springs in Radcliff, Kentucky. At that point some decided to head back to the hotel.

We went on the Mike Linnig's restaurant for dinner. They had us set up in a large tent and the weather was great for outdoor dining. It seemed like everyone enjoyed the meal. After dinner some headed home, and some headed back to the hotel. It was a very good Model A day! Thanks **Charlie Armstrong** for a job well done blocking traffic for the group!

Sunday morning before heading home several of the remaining people went to Tooling Ventures Inc for a machine shop tour and to explore the collection of assorted items.

"A" BIG THANKS to everyone that helped make this a successful Model A weekend.

### MILLS PICNIC REPORT:

What a great day! Six Model A's were parked out front of the **Mills** E-town home. **Jerry and Rita Mills**

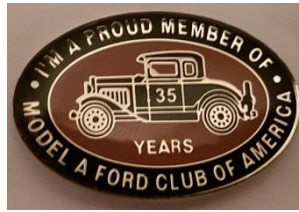

planned out and set up a great picnic for us to enjoy, with plenty of good food and fellowship. We played everything from corn hole, to fishing for washers, to stack the cups and giant Jenga and let me tell you the competition was tough. Thanks **Jerry and Rita** for inviting us and all your hard work!

## MAFCA MILESTONES:

As they say time flies when you are having fun! Recently **Richard & Nancy Wright** and **Emeric Howell** received their 35 Year MAFCA pins.

## CKMARC RENFRO VALLEY TOUR REPORT

*Submitted by Roy R. Armstrong*

On August 17, **Jim Norris** and I met the Lexington Model A Ford Club at the Five Star gas station located at 303 Stanford St., Lancaster KY. The tour started at 9:30 AM with **Bruce** and **Linda Bailey** being our tour leaders. We traveled to Renfro Valley, with 16 Model A's and two modern vehicles, where we toured the Kentucky

Country Music Hall of Fame and Museum. We got to see **Red Foley's** 1915 Model T touring car and a 1934 Ford truck. **Avery Bradshaw**, the manager, played several songs on his banjo before we left. We then enjoyed a delicious meal at the Back Porch Smokehouse Restaurant and then traveled on to the Rockcastle River Trading Company with its beautifully landscaped grounds. **Betsy Carloftis** shared what life was like growing up on the Rockcastle River where her parents **Carlo** and **Lucille Carloftis** ran Fort Sequoyah, a summer theatre and tourist attraction. Before going home **Jim** and I stopped at the Steven Foster Restaurant in Bardstown for supper. We really enjoyed the tour and being with our Lexington friends. I drove 244 miles and **Jim** drove 334 miles.
