December 2020

Happy Easter, Happy Derby, Happy 4th of July, Happy Thanksgiving, Merry Christmas and wishing you all a Happy New Year! I sure missed all of the activities that we took for granted before 2020 came and Covid stopped everything in its tracks. It feels like we should just be getting the year going and now Christmas will be here very soon.

I have heard a few ask, "do you think the Model A club will survive this?" My answer is always "YES"! I am confident things will eventually get back to normal... hopefully sooner than later! I'm looking forward to putting 2020 behind us and having a better, brighter year in 2021!

The intension of this newsletter is to catch members up on the status of club events and the decisions made at our fall Board of directors meeting.

MINUTES FROM THE FALLS CITY MODEL "A" FORD BOARD OF DIRECTORS MEETING

October 3, 2020

The Falls City Model A Ford Club Board of Directors met at Moise Napier's home, in his garage. We all practiced social distancing with masks.

There were 13 members present. We discussed the status of our club meetings, 2021 meeting dues, election nominations and banquet, Christmas party and the SWAP meet. Emeric will provide the information in a newsletter for the club members. Results of these discussions are as follows:

(1) Status of October and Future Club Meetings - cancelled for this month (October). Emeric will keep in touch with the government center's contact person regarding the 2021 meetings.

(2) 2021 Club Dues - Jerry Mills made a motion to allow all current members to remain in the club for 2021 with no additional charge for dues.

(3) Election Nominations and Banquet - Moise Napier made a motion for everyone to stay in their elected office one more year.

Nancy Wright - President
Frank Head - Vice President
Marty Burke - Treasurer
Angela Nett - Secretary

(4) Christmas Party - Nancy advised the location of our past Christmas parties is still not having in person services, therefore we made a motion to cancel.

(5) SWAP Meet - Due to the uncertainty of the pandemic in January 2021 we decided to cancel the SWAP meet. Many factors contributed to this decision, availability of members to work and cost to advertise and promote the meet.

Marty received a letter from Model A Ford Foundation Inc. (MAFFI) requesting \$100 from each club to keep up the Museum. Nancy made a motion to send a check.

Emeric made a motion to adjourn the meeting and Richard Wright seconded the motion.

Respectfully Submitted - Angela Nett

We'll get through this if we all pull together!

During this pandemic we have lost a few of our good friends we met through our Model A Club, it's very hard when we are not able to gather as we did in the past and honor the lives of our good friends. They will all be greatly missed
