REPORT ON MARC HAMILTON MEET 2023:

Sunday, July 30th we left Louisville driving (3) Model A Ford's with a fourth being trailered. We had nice back roads most of the way crossing over the river in Madison Indiana. Round trip I drove 458 miles and Steve Grant drove 522 miles total. Our hotel was great and was only a block away from the meet!

Monday, we checked out the swap meet and attended a couple seminars. One on the New Burtz Model A engine and Distributor rebuild. Later that evening we attended the welcome party at Marion's Pizza which was pretty good.

Tuesday, we joined the Central Kentucky Club on a tour to the Salty Dog Museum and Ron's Machine Shop in Shandon, Ohio to see their collection of cars and fire engines. Afterwards, we had lunch at a small diner and headed back in a rush with only moments to spare we made it to the Touring Class Judging meeting, which was mandatory for those of us showing their cars. That evening we had dinner at a nice Italian restaurant.

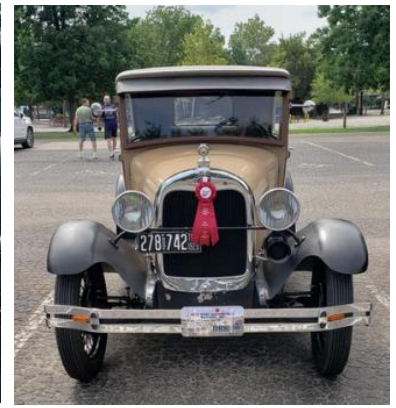

Wednesday, we joined (40) plus cars in Tour Class Judging. **Steve Grant, Fred Shelton, Ken Rabeneck** and **Emeric Howell** had cars there to be judged. It was a fun time and we learned a lot about what they look for when judging! That evening we attended an ice cream social where the fine point Model A's were on display. Back at the hotel, I was very surprised with a cake and good friends to celebrate my birthday! *THANK YOU* to my Wonderful Wife **Lesa** who was not able to attend and to **Angela Nett** for helping her pull this off!

Thursday, we joined several hundred Model A Ford's on the Grand Tour to Coney Island Park. They laid out a nice route for us, even though a few places along the way were confusing we still made it! There was plenty to eat.

Friday, we attended a Wood Graining seminar that was very informative and headed back home.

Overall, it was a very nice trip with no Model A's breaking down going or coming.

Our members who were able to attend the meet were **Steve Grant, Louis & Angela Nett, Fred & Cricket Shelton, Ken & Ellen Rabeneck, Jerry & Rita Mills** and **Emeric Howell**.
